

Before you know it summer will be here. Hurry and sign up for swim lessons now!

My name is Jon Jennings. I have been a Certified Red Cross Water Safety Instructor (WSI) for 13 years. I teach from beginner to advanced

levels and children and adults of all ages.

I specialize in helping people overcome their fear of the water, and progress their skills to maximize students' potential. Each class is

private and a half hour long. I also teach Junior Guard Prep classes in the spring.

Please refer to following link for the Junior Guard Program:

Treat yourself and those you love to the great experience and joys of swimming.

I am also available for house calls, where I can bring the swim school to your pool!

Sign up now. Classes fill up quickly.

Rain or shine, no refunds, no rescheduling and no make-ups. Payments due in advance in full at the beginning of the session. Available times are in ½ hour increments.

Classes are in a private salt water pool. No stinging of eyes or green hair.

Please indicate your 1st & 2nd choice on the schedule. You can call, or e-mail me.

Payments are due on the first day of class.

I no longer offer make up sessions or refunds or re-scheduling. Please remember that I require a strong commitment in getting your child prepared to deal with water safety and survival in the water.

Please observe the following rules:

1. I request that you have no more than 2 guests at any time.
2. Please arrive 5 minutes before class, and exit promptly, after class so my next student is not delayed.
3. Non-students may not run around the property but must sit. Please bring books to occupy non-students, so that they do not distract the swim student.
4. **Please park on Del Amo Street.** **Please note sweep days and hours on posted signs.** Please enter the pool through the north side gate.
5. Please apply 15 SPF or greater, waterproof suntan screen at least **30 minutes** before your session for maximum protection of your child's skin and no oily impact on the pool water.
6. **FOOD OR DRINK**, especially citrus products, should not be consumed for at least one hour before class. Bring a towel, change of clothing, and a small snack for your child to be given upon exiting.
